AGENDA REPORT

City of Santa Clara, California

Agenda Item # 4A

DATE: November 14, 2008

TO: City Manager for Council Information

FROM: Housing & Community Services Division Manager

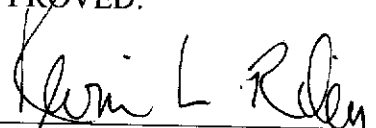

SUBJECT: Rescheduled Public Hearing on Housing & Community Needs Assessment for Fiscal Year 2009-10 Federal Entitlement Funds

Federal regulations of the Community Development Block Grant (CDBG) Program and the Home Investment Partnerships Act Program (HOME) require the City to conduct at least two public hearings annually to address housing and community development needs and program performance. Consistent with federal requirements, the City's Citizen Participation Plan for Federal Entitlements states that one public hearing shall be held prior to public notice of funding availability and solicitation of proposed activity applications. The purpose of the hearing is to obtain the views of citizens on local housing and community development needs and priorities.

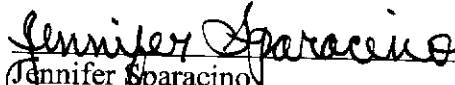

That public hearing was originally scheduled for November 18. However, the noticing for the meeting was not published. Therefore, staff has rescheduled the Public Hearing for December 2, 2008. A notice will be published prior to that meeting.
